Mr. Sampson:

Thank you for your letter of July 24 telling of hearing WATO on February 3 of this year. This letter will serve to verify your report. We were in the midst of our "WATO-thon", a round-the-clock broadcast for three weeks celebrating our 10th anniversary.

We are very sorry we did not receive your previous letter, but, as you said, it must have been "lost in the mails".

Thank you again and if you are ever in Oak Ridge, by all means stop in to see us at WATO.

Sincerely,

Charlie Bailey
